

# MEET THE TEACHER!

## The Basics!

Hi! My Name is Ms. Nicole Lovseth! I will be your child's kindergarten teacher! I am thrilled to be joining the Southmoor family. This will be my 5<sup>th</sup> year teaching kindergarten in DPS. I love the snow, skiing, hiking with my crazy cattle dogs and I am a huge baseball fan!

## A little about me...

I grew up in Keystone, Colorado where I attended Dillon Valley Elementary, Summit Middle School and then graduated from Summit High School. I grew up skiing on the slopes of Arapahoe Basin and was on the Summit race team. I lived in Florida for a year but missed the snow so much I had to move back to Colorado. When not in the classroom, you can find me playing in the snow or cheering on my favorite baseball teams.

## My Education!

I recently was accepted into the 8th cohort of Buell Early Childhood Leadership Fellows and I am working towards my masters in Administrative Leadership and Policy Studies in Early Education from UC Denver. I attended MSCD, where I received my Bachelor's Degree in Human Development with a minor in early childhood education. I have developed my passion for early ed over the years by teaching preschool, teaching kinder at an arts school in DPS & attending the Reggio Emilia Institute at Leslie University. I have also served as a district kindergarten teacher leader.
