

MEET THE TEACHER!

The Basics!

Hi! My name is Grace Wingard. Last year, I taught first grade here at Southmoor. I am thrilled to be returning to kindergarten, which I taught for five years in Fairfax County, Virginia. This year will be a wonderful learning adventure!

A little about me...

I grew up in rural Charlottesville, Virginia and have always enjoyed nature. My husband and I were living in Mclean, Virginia for several years before deciding to take the plunge and move to Denver last Summer. When not teaching you can find me playing with my beloved cat, Yahtzee, scrapbooking, reading, snowboarding (I just picked it up last year!) hiking, and enjoying the beautiful Colorado weather outside.

My Favorites!

Food: Chocolate & mashed potatoes
Movie: The Little Mermaid
Book: I love you, Forever
Color: Purple!
Drink: H2O
Season: Spring
Sports: Volleyball & Football
Fast Food: Starbucks
Hobby: Scrapbooking & Snowboarding
Subject: Science
Store: Target & Micheals
Candy: Dark Chocolate
Restaurant: Linger
Flower: Daffodils & Sunflowers

My Education!

I attended Virginia Tech for undergraduate and will forever be a college football fan, Go HOKIES! After college I taught at a preschool for two years and developed a passion for early childhood education. I truly enjoyed nurturing their learning and knew that working with children was my calling. For graduate school I received a Master's in Elementary Education from the College of William and Mary.
